Advancing Applied Innovation in the Capital November 22, 2017

Come meet with industry colleagues and academic leaders and engage in the conversation about how these industry leaders are advancing applied innovation in the nation's Capital. This is a great opportunity to meet industry leaders, government and academia and hear about the advancements in technology, processes and methodologies from within the Region. A great networking event for all involved in the AECOO (architectural, engineering, construction, owner and operator) industries.

Keynote Speaker

Ezio DiMillo

Director General, Parliamentary Precinct Branch, PWGSC

Mr. DiMillo is Director General of the Long Term Vision and Plan Project Management and Delivery (LTVP-PM&D) for the Parliamentary Precinct Branch (PPB) with the Department of Public Services and Procurement Canada (PSPC). In this capacity, Mr. DiMillo is responsible for delivering some of the country's largest and most complex heritage rehabilitation projects on and around Parliament Hill, including the West Block, East Block, Government Conference Centre, Visitor Welcome Center, as well as a number of other buildings in the vicinity of Parliament Hill.
