

MEMBERSHIP BENEFITS

Benefits of CanBIM Membership are based on **Association, Access and Influence.**

Benefits of Association

As a CanBIM Member your organization will be making the statement that your organization is at the frontline of BIM's evolution. Via the association with CanBIM, your company can affirm and bolster its brand, as not only a participant in the evolution of BIM, but as a leader.

- ✓ Placement of your organization logo on CanBIM website, Event Screens, CanBIM App and more
- ✓ Member Profiles, Case Studies, Articles and Interviews released via our Website, Newsletter and Social Media
- ✓ Marketing for our Members as BIM Leaders

Benefits of Access

As a CanBIM Member, your organization will have access to the "best of the best" in BIM. Our Members are leading the charge for a BIM ready industry. As a CanBIM Member you have ready access to all members. If you need help or guidance with BIM, we are here to facilitate introductions, and open doors to help your organization prepare and maintain your BIM strategy.

- ✓ CanBIM Membership database - 24/7 Access
- ✓ Member Only content available via CanBIM website

Benefits of Influence

Only CanBIM Members can participate on CanBIM Committees. Our Committees come together to determine and pave the way for best practices and new innovations with BIM. Having a seat at this table as a CanBIM Member gives your organization a voice to not only ask questions, but to help make decisions that will affect the course of BIM in Canada.

- ✓ BIM Leadership through Committee participation and decision making
- ✓ Membership voting rights
- ✓ Task leadership
- ✓ White Papers & Case Studies endorsement and posting

Additional Benefits CanBIM Members receive

- Member Discounts for all event registration, BIM Certification and pay per use content.
- Free job/career posting
- Promotion for our CanBIM Members on all of our online platforms
- Member News & Event Postings

MEMBERSHIP BENEFITS

Educational Membership

Joining CanBIM as an Educational Member Institution gives you a seat at the table with Industry leaders. It is an opportunity to get involved, learn from others and drive the conversation forward.

Benefits for Education Institution

- Opportunity to host a CanBIM Satellite Session at your facility and offer Industry and Academic Presentations showcasing your institution. Recorded content.
- Brand alignment and association with Industry leaders in BIM.
- Opportunity to participate in driving change in the industry through participation on the CanBIM Education & Research Committee.
- Opportunity to work with and build opportunities with industry leaders.
- FREE CanBIM Certification for one (1) Academic Course
- Access to Membership Benefits for all Faculty included in just one Annual Membership fee.

Educational Members are also able to offer their enrolled students Student Affiliate Membership at no additional cost to the Educational Institution or the Student.

Student Affiliate Membership

Any Educational Institution maintaining CanBIM Membership can offer their students CanBIM Student Affiliate Members at no additional cost. They are able to participate in supporting the eight CanBIM Industry Committees and therefore contribute to the process of developing various initiatives alongside Industry leaders.

Benefits for Students

- Industry Research Opportunities – engage industry leaders to complete Student Research Projects or Assignments.
- Student Ambassador Program – Student leaders form a student operated group that hosts industry speaking engagements backed by CanBIM Industry network.
- Student Resume listing and access to job posting board from Industry Leaders (Coming soon!)
- Networking through tasks and initiatives with industry leaders - direct contact.
- Educational learning opportunities - learn about BIM and various companies.
- Recognition for contributions - Certificate of Participation and where available placement on CanBIM Website.
- References letters for career purposes provided by CanBIM and possibly other Industry Leaders
- Access to CanBIM Member pages on the CanBIM website.
- All other privileges a CanBIM Member receives (see attached Membership Benefits Statement)
